NOTE.

We present herewith our Catalogue of Coach and Carriage Lamps, illustrating a large variety of sizes and styles adapted to vehicles of all descriptions.

This catalogue, however complete it may appear, does not show all the styles of lamps made by this company, and customers may still obtain other styles and special models, the same as heretofore, even though we have not given them space here.

We aim to have our product equal to the best, and with improved facilities, combined with a force of experienced workmen, we are in a position to furnish High Grade Lamps at moderate prices.
